XXIV Sunday – Year B:

Fr. Edward Gabriel: Will be arriving at our parish on the 17th September. Fr. Gabriel is from Brazil and is a priest with the Scalabrini Fathers. He will be the new Assistant Priest at our parish.

The month of September is

Season of Creation: Southern Africa has a serious problem of plastic pollution where only 16% of the plastic is recycled while the rest of it ends up at landfill locations and in rivers and eventually in the ocean. You and I can be instruments of change by stopping the throw away culture as Pope Francis puts it.

So, as we make our way through these uncharted waters, may we garner strength in knowing that we are not alone, as St Paul states: "The Lord is near; do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding will guard your hearts and your minds in Christ Jesus" (Philippians 4:6).

Identify an area where you live where there is a lot of rubbish lying around. Gather a small group who will join you in the clean-up campaign.

The Exaltation of the Holy Cross Feast: The one symbol most often identified with Jesus and his Church is the cross. On September 14 we celebrate The Exaltation of the Holy Cross. This feast traces its beginning to Jerusalem and the dedication of the church built on the site of Mount Calvary in 335. But the meaning of the cross is deeper than any city, any celebration, any building. The cross is a sign of suffering, a sign of human cruelty at its worst. But by Christ's love shown in the Paschal Mystery, it has become the sign of triumph and victory, the sign of God, who is love itself.
