The feast day for St. Vincent - 27 September:

Saint Vincent de Paul, was a French Catholic priest who dedicated himself to serving the poor. In 1622 Vincent was appointed a chaplain to the galleys. After working for some time in Paris among imprisoned galley slaves, he returned to be the superior of what is now known as the Congregation of the Mission, or the "Vincentians" (in France known as "Lazaristes"). Vincent was zealous in conducting retreats for clergy at a time when there was great laxity, abuse, and ignorance among them. He was a pioneer in clerical training and was instrumental in establishing seminaries, and founder of the Congregation of the Mission and Daughters of Charity of Saint Vincent de Paul. Saint Vincent de Paul has a charity named after him by Blessed Frédéric Ozanam. He was renowned for his compassion, humility, and generosity. Vincent was canonized in 1737 and is venerated as a saint in the Catholic Church and the Anglican Communion. St. Vincent the Paul is the patron of all charitable societies, horses; hospitals; leprosy; prisoners; Saint Vincent de Paul Societies.
