XXVIII Sunday – Year B:

In today's Gospel, an unnamed man approaches Jesus and inquires about what he must do to inherit eternal life. Jesus replies that one must follow the commandments of the Law of Moses. The man acknowledges that he has observed all of these since his childhood. Jesus then says that only one thing is lacking:

he must give his possessions to the poor and follow Jesus. The man leaves in sadness, and Mark tells us that this is because he had many possessions. The belief in resurrection and eternal life was a relatively recent development in Jewish thought at Jesus' time, and it wasn't shared by everyone. The Pharisees taught that there would be a resurrection from the dead; the Sadducees did not share this belief. Jesus taught that there would be a final judgment for everyone and eternal life (the Kingdom of God) for believers.
