

**Important message from
Parish Priest
Fr. Jorge A. Guerra**

Dear parishioners, I hope and pray that you are fine. I take the opportunity to let you know that public religious celebrations at church will be closed as the number of infections are growing every day.

When we opened our Church I told you that if cases were detected in our area our church would close the doors for public worship.

It is a huge responsibility to take care of the health of our people and at the same time to continue to give spiritual support needed during this difficult time.

For this reason the church will be closed for public celebration from Friday the 10th of July till further notice.

Thank you for your understanding and support.

Let us keep in Communion of Prayer and Faith.

Let us continue to pray for those infected, their families and those working in different sectors to overcome this crisis.

Masses and moments of Prayer will continue online on our Facebook page, YouTube page and website.

God bless you all.
